

Sihanouk Ville, Cambodia

Sihanouk Ville's premiere boutique hotel resort

The Resort

Reef Resort is the premier boutique hotel resort in Sihanouk Ville. With just twelve rooms set around a modern pool it is your ideal retreat, just a few minutes walk from the beach but far enough away to escape the noise of the late night beach bars.

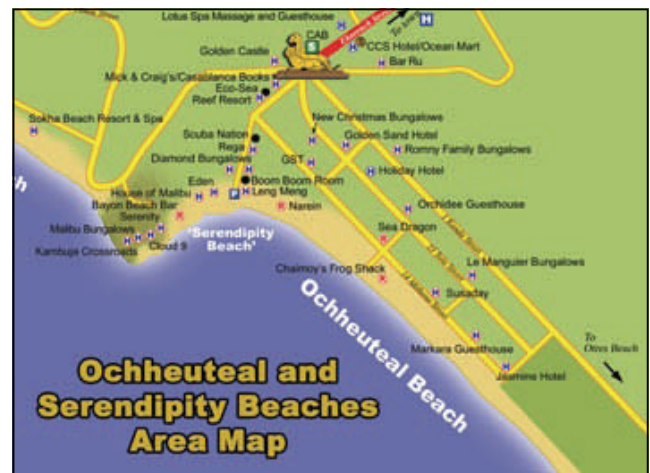

Western designed from the ground up with careful attention to detail and comfort. Reef Resort is a unique design in Sihanouk Ville and the first choice for travelers looking for quality accommodation at a reasonable price.

The pool is 12.5m long and 1.2m to 1.9m deep.

Ideally located between the famous Golden Lions traffic circle and Serendipity beach in an area which is fast becoming the centre of entertainment, accommodation and good food.

We are just a few minutes walk from the nearest beach and a short moto ride to the other beaches and the downtown area.

Our well stocked bar has a selection of over 80 beers, spirits and we feature a premium selection of fine wines as well as soft drinks.

We have a professional slate topped pool table and a 42" plasma TV for sporting events and popular music videos.

Comfortable, clean rooms offer all the comforts you would expect from a modern, western run hotel resort.

Air conditioning, ceiling fan, hot water, stocked mini bar, in room safe and a comfortable bed with a sprung mattress. Wireless internet is available in every room.

With three room types and a no nonsense pricing policy including any freshly made breakfast and all local taxes.

First floor rooms offer the cheapest accommodation with a view of the pool. Luxury poolside rooms come with a balcony beside the pool. Family rooms have extra beds to sleep up-to 4 people

The Reef Resort restaurant serves a wide range of local and western dishes with the emphasis on freshness and premium quality ingredients.

We employ and develop talented local chefs and we pride our selves on the quality of our ingredients, presentation and the overall taste of our meals.

Our fresh fish supports the traditional local fishing community. Many of our premium and more unusual ingredients are sourced further a field with quality steaks and meats imported from Australia and premium vegetables from rural Cambodia and Vietnam.
